Working Groups

DeIDOT has appointed a diverse community Working Group of state, county and municipal officials, together with business, civic, environmental, community, farm and emergency services leaders for each of the four study areas. These groups will provide suggestions, review alternatives, build consensus and make recommendations regarding transportation improvements needed along the US 113 Corridor to meet existing needs as well as those that will arise over the next 20 years.

Working Groups - Activities to Date

- Briefed on results of Stakeholder Listening Tour
- Approved Vision and Goals and Objectives for each area
- Provided input on Natural Environmental and Cultural Resources in each Study Area
- Provided input of Existing and Future Development
- Provided input on Improvement Strategies and Improvement Concepts along existing US 113 (“On-Alignment” Options) and Potential Corridors not along existing US 113 (“Off-Alignment Options”)
- Conducted Field Tours to review “On-Alignment” Concepts
- Provided input on Preliminary Alternatives
- Assisted in preparations for and participated in Public Workshops
