

US 113 North/South Study

Contract # 22-127-01

Public Workshop

Tuesday, June 20, 2006

4:00 PM to 7:00 PM

The Alternatives Retained for Detailed Study have been refined based upon Working Group, public and agency input along with additional field work on natural and cultural environmental resources. Now is your opportunity to comment on the Retained Alternatives before the Project Team begins the development of a Draft Environmental Impact Statement.

In responding to the following questions, please review the information available this evening. Should you have any questions, please ask a Project Team member.

Comments

1. Should further refinements be made to the Alternatives Retained for Detailed Study?
If so, which one(s) and why? _____

2. What concerns do you have about the refined Alternatives Retained for Detailed Study? ____

Comments continued...

3. Do you have additional comments regarding any of the Alternatives Retained for Detailed Study?

4. Other comments? _____

Your comments and opinions are very important. DeIDOT will carefully review all information provided on this form. Under state law, this form is public domain, and if requested, a copy of it must be provided to the media or public. Thank you for your participation and contributions to this important transportation project.

- Please add my/our name(s) to the Project Mailing List.
