

113

US 113 North / South Study

Yellow Alternative (On-Alignment)*

- Reconfigured US 113/Old Shawnee Road / Kings Highway intersection

- Eliminated northbound US 113 access at Haflinger Road to avoid impacts to Whitehead farm

- Shifted access road west of US 113 near Food Lion and Wal-Mart.
- Modified southbound US 113 access near Food Lion

Key Issues

Concerns for this refined Alternative:

- Seven potential 4(f) impacts (historic resources), including serious issues at:
 - Roosa Farm/Rogers Lane
 - Old Shawnee Road interchange
- New bridge over Haven Lake
- Wetland impacts
 - Mullet Run
 - Herring Branch
 - Hudson Pond
- Economic impact concerns
- Community cohesion concerns (“dividing the town in half”)

* Changes made based upon resource impacts
